CLASS EVALUATION FORM

Class Title: _____

Class date: ___/___/_____

We would like your honest "Actionable feedback" because it will help us to make our future classes better. (Actionable words are something that express things that we can do to make improvements in our classes. Like 'More explanation of...', 'Less time on ...', 'Suggestions for how and when to use...', 'Where can we get more info on...', 'etc.)

1. Did the class meet your expectations? Yes No

- Was there any subject area that should have had more or less time?

- Did the practice steps help you to better understand the demonstrations?

- Any suggestions for improvements?

2. Do you think that you can understand the basic principles presented? Yes No

- Was there anything that may have hampered or confused your understanding?

- The part about _____ was a little fuzzy and could be clearer.

3. Did you get enough information to proceed to the next level in your learning process? Yes No

4. Do you feel confident about working/doing this type of project on your own? Yes No

- I could use more information / training on _____

Other Suggestions/Comments - If you need more space, please use the other side.

(If you desire)
